

Developed by Professionals for Professionals

The vision of this manual was developed through our years of experience as former child care program directors and staff. It is our hope that our field experience will provide you with insight and direction as you work to develop your program policies and procedures.

The Directors' Toolbox CD is formatted in Word and Excel documents covering all aspects of program policies and procedures.

Community Coordinated Child Care (4-C) is a child care resource and referral agency serving the community by increasing the quality of child care programs through training and awareness.

The 2008 Directors' Toolbox Revised Edition Includes New Regulations

Ultimately, Saves You Time, Energy and Money

Have you ever stopped to consider how much time you would save not having to research, write, and publish your program policy and procedure manuals? It could easily add up to hundreds of hours. Now this time-consuming task has been done for you!

This toolbox has been prepared for both new and existing child care programs and includes information for full and half day, secular and faith-based facilities. The toolbox comes on CD which allows you to edit the policies to fit your program. The toolbox incorporates the *new* KY. state licensing regulations, nationally recommended practices, and a Human Resource section that covers State and Federal labor requirements.

What's In It For Me?

There is no need for the Director to spend countless hours researching and writing policies. This user-friendly CD allows the director to edit highlighted areas by inserting their center name and selecting, inserting, or deleting preferences that meet their needs.
