Table of Contents

Designed for staff who enjoy working on their own at home or in their classroom.

Hands-On Learning Modules..... Page 2-3

Designed for long term staff looking for hands-on opportunities and ideas to use in the classroom immediately. Some assignments require photos of the children participating in assignment activities. All photos and assignments are returned for inclusion in staff professional development portfolios. Modules are worth 3 hours of training credit.

Hands On Registration Form..... Page 13

Reading Connection Book Club..... Page 4-9

Designed for staff that enjoy reading and are looking for a non-traditional approach to training. Book Club books are divided into three categories covering a wide variety of topics. Books are worth 5 hours of training credit. Participants will be responsible for obtaining the books. Participants may obtain books from the 4-C library, public library, or purchase their own.

DVD'S NOW AVAILABLE. Designed for staff who prefer watching a video or DVD rather than attending an interactive session. Video and DVD selections consist of topics specifically for early care professionals. Training credit will vary as credit is based upon the length of the module and the assignment. (1-5 hours of training credit available.)

A View It Series is now available. These Series Trainings are complete programs of study from experts in all areas of early childhood. Please see page 12 for more Series Trainings details. These videos and DVD's are loaned for a period of 2 weeks. (*Note: Video or DVD may contain more than one segment.)
