SHARON WOODWARD

Family Child Care: Teaching Through Quality Care

Elevate your teaching practices and home environment in this Community of Practice, designed exclusively for family child care providers. These sessions will equip you with new curriculum and assessment tools designed just for you. Using The Redleaf Family Child Care Curriculum as our guide, learn excellent, realistic strategies to promote the healthy development of infants, toddlers, and preschool children in a caring, nurturing environment. Network and build relationships with other family child care providers to share ideas and support each other. Darice Hancock and Trish Kite-Hannon will be leading this COP. **To learn more about this track and register, please contact Darice Hancock at darice-hancock@4cforkids.com.**
